

## **Public Notice**

April 30, 2014

Pursuant to the Minnesota Organized Collection Statute, M.S. 115A.94 (“Statute”), and in conformity with the City of Saint Anthony Village’s (“City”) goal of building and cultivating environmental responsibility, the City has decided to initiate a 60-day period of meetings and negotiations exclusively with its currently licensed residential collectors to develop a proposal for the collection of solid waste and recyclables. The 60-day period will commence on the date of this notice.

As required under the Statute, such meetings and negotiations are exclusive. Members of the public, however, will have an opportunity to be heard in the event an agreement is reached. The City will provide subsequent notice and further information as it becomes available.
